CLUB HERO SPECIAL EDITION

Welcome all to this special 'Club Hero 2012' edition of our club newsletter. Coolaney/Mullinabreena GAA club is in the process of establishing a development plan to run over the coming three to four years.

It is widely accepted that we need to upgrade our facilities to meet the needs of a growing club and the modern demands associated. Grants will be sought to assist this plan but evidence of self-funding is essential to succeed in this area and thus the 'Club Hero 2012' idea was set in motion.

'Club Hero 2012' is a club development fundraising initiative to run over a period of six months from April to early October. Six volunteers, namely; John Brennan, Paddy O'Brien, Janette Marren, Johnny Rutledge, Caroline Coleman and Pdraig McHugh will each embark on a campaign which is primarily an event based project with a

wide diversity of ideas and outings to suit all ages. The events are strategically spread out across a large number of venues in an attempt to garner support from well outside our club catchment area and to avoid the event fatigue syndrome locally. There has been a brilliant response so far with each candidate recruiting a backroom team to assist with event planning. We hope you find something that interests you in what promises to be an action-packed and exciting few months. Your support is, as always, appreciated. THE LAUNCH

Many thanks to all who turned out for the 'Club Hero' launch night on Friday, March 30th last in the Mountain Inn. Club chairman Brendan Kivlehan addressed the large attendance giving the background to the concept and thanked all those who have volunteered to get involved with the project. Barnardos representative John Willis was present on the night to speak about the association with the charity and how grateful they were to be chosen as a beneficiary. Peadar Conway then performed as interviewer and with customary wit chatted to each of the six volunteers. The candidates spoke about their respective team members and were given the opportunity to promote some of their upcoming events. A great night followed as we well and truly got 'Club Hero' off to a flying start.

Barnardos

The club are delighted to announce our association with national children's charity Barnardos as a beneficiary of proceeds from Club Hero. 15 % of

all funds raised will go directly to the charity. Barnardos work involves assisting children and families who experience difficulties across a wide

spectrum. It is hoped that our contribution will go some way to alleviating these difficulties for those sections of our society less well off.
